

Here is your chance to purchase heavy constructed mobile steel Pro-Life Calf Hut. Rolling Hill Manufacturers these huts with 100% USA Steel.

We purchase direct from steel mills then to our welders, then you, the Customer. We can custom design your mobile Pro-Life Hut at no charge to you. We manufacture the heaviest calf hut in the industry. Rolling Hill Manufacturing is the largest mobile steel shelter fabricator in 12 Midwest states.

Our shelters are skillfully welded, one at a time, taking pride in every single weld. Located in a small community, we are committed to quality and customer satisfaction. Our price points for prime graded steel is lower than others in the industry when comparing quality steel, apples to apples...Our price points match a workmanship better than any in the industry.

References upon request. We sell direct to farm, ranch and commercial operators.

You are welcome to visit our manufacture and certified welders in a little town of Lucas, Iowa.

We sell and ship to eight state region - Iowa, Missouri, Indiana, Wisconsin, Illinois, Minnesota, Kansas and Nebraska.

Let our engineers draw your professional mobile shelter or hut at no additional charge.
